

Teen Summer Reading Log

Win a Nintendo Switch and Other Prizes!

Teens in (or going into) jr. high and high school can participate in this free program and earn prizes by reading.

Each record album on this reading log represents a half hour of reading for a total of 20 hours.

Any type of reading counts, including online, audiobooks, comics, and of course, books!

Mark them off as you go. Once you've completed the reading log for a total of 20 hours, turn it in for a prize packet full of coupons for free stuff from local restaurants like In-N-Out, Chick-fil-A and Water Gardens Movie Theater. Plus, your form will be used as an entry into our grand prize drawing for a Nintendo Switch!

Reading logs can be turned in between June 22 and July 31.

You can only earn one prize packet, but keep reading. For every additional 20 hours you read, you may turn in another form for an additional entry into the grand prize drawing.

Turn in your time-sheets at the front desk or during a teen activity.
