

# Teen Summer Reading Log

Win a Kindle or Other Prizes!

Teens in (or going into) jr. high and high school can participate in this free program and earn prizes by reading.

Any type of reading counts, including online, audiobooks, comics, and of course, books! Reading earns you lottery tickets, and there is no limit to how many lottery tickets you can earn by reading. You can earn additional lottery tickets by attending teen events and completing the teen 10 Random Acts of Kindness Challenge. Lottery tickets will be used to draw winners for the Kindle Fire and other prizes.

Once you've read a total of 24 hours, turn your time sheet in at the front desk or during a teen activity for a prize packet full of coupons for free stuff from local restaurants like In-N-Out, Chick-fil-A and Water Gardens Movie Theater.

## Reading Time Log

Check an empty box for every half hour you read. Each row of boxes equals three hours of reading.

For every three hours you read, you'll receive a lottery ticket. Bring your reading log sheet to the front desk or to a teen activity to get the lottery tickets. Make sure you fill out the contact information on the back of the ticket so the library can contact you if you win a prize.

Once every box is checked, you've read 24 hours and can turn this sheet in for your prize packet and another lottery ticket. You can keep reading for more lottery tickets (by starting another log sheet) **but you can only earn one prize packet.**

**The last day you can turn in your reading log is July 31.**
