

Project Name: Nathaniel Drive Waterline and Roadway Improvements

Project Update:

This project is scheduled to begin early June 2024.

Expected traffic impacts:

Within the project limits the road will be closed to through traffic for the duration of the project. Detours will be posted on the side streets surrounding the project.

Project Overview:

This project will replace the aging and failing waterline from Orchard drive along Loader Ave, Nathaniel Drive, and 1400 E to 300 South. The roadway surface also will be restored from the Murdock canal to 300 south.

Project Area:
