I grew up a Viking and love Pleasant Grove! I am raising my family in Pleasant Grove. My business is located on Main Street PG. I want PG to be a safe and beautiful place. For PG to be what we all hope it can be, we must focus on proactively taking care of our infrastructure and services instead of waiting to react to emergency cases. Looking at the past eight years, I think there is room for improvement. Boil orders, road issues, employee turnover, downtown development, and even our public pool have been the subject of emergency reactions. My philosophy aligns with the quote attributed to Benjamin Franklin: "An ounce of preparation is better than a pound of cure." I fear that many basic infrastructure needs are reaching emergency status. We need to evaluate our city's systems, roads, and other services for necessary repairs or enhancements. Then, institute a budget to properly maintain our services and infrastructure to avoid emergencies. Ensuring that our necessary infrastructure is properly maintained will, in turn, ensure that our other necessary services like safety, recreation, Strawberry Days and other fantastic community events have funding in the future. I ask for your vote.

"I am a candidate for the position of Councilman for Pleasant Grove City. Living in Pleasant Grove all of my life I have witnessed numerous changes in the city, particularly within the last four years as I have served on the City Council. While on the Council I have had the privilege to serve on the Library Board, Beautification and Historical Preservation Committee. I have also served as liaison with the Police Department, Fire Department, Public Works, Recreation Department, and the Parks Department. We have begun the groundwork to bring to Pleasant Grove the Ruth Theater, the development by St. Johns Property who is investing 1.2 billion dollars to bring retail as well as luxury housing, the multi-million-dollar park at the old pipe plant, and the completion of the G on the mountain. I would love to see these projects come to completion. I love this City and I'm willing to dedicate my time and energy and I'm asking for your support to re-elect me to assist in the task ahead. If re-elected I would ask for your patience, understanding and positive comments to assist us to complete these amazing changes to our City.

VOTING INFORMATION

Please note that the candidates have been given the opportunity to submit these statements. The statements reflect the candidates' view and opinions and not the city's position. The 2023 Municipal Elections will be all Vote by Mail. Registered voters will receive their ballots in the mail 21 days before Election Day. You should receive your ballot the week of November 1. As a dedicated Pleasant Grove resident for 14 years and an active volunteer for over 7, I'm not a politician; I'm one of you. I'm running a grassroots campaign to bring your voice to the City Council. I have spent years attending Council meetings and serving in various community roles, from the Historic Preservation Commission to the Heritage Days Committee. My firsthand experience gives me unique insights into how we can make our town an even better place to live. My mission is to be the people's advocate, ensuring decisions benefit not just select groups but the majority of our community. I aim to promote responsible retail growth to bolster our tax base, and I am committed to leading Pleasant Grove in water conservation, which is essential in our high-desert climate. As a mother of four and a grandmother, I have a vested interest in making our city safe, enriching, and affordable for all generations. When elected, I pledge transparency and engagement. I'll work tirelessly to keep you informed and involved in the choices that shape our city. Thank you for your support; together, we can build a brighter, more inclusive future for Pleasant Grove.

I was born and raised in the beautiful state of Utah. My family and I have lived in Pleasant Grove for nearly 20 years, and I was fortunate to have been able to raise 4 incredible children here. One of my greatest joys has been coaching my own children, along with many others, through the Pleasant Grove Rec programs and working as the football coach at PGHS for three years. I've enjoyed meeting all the great parents and watching these young boys turn into amazing young men. Any sport with a ball, I've coached it! Our city is growing quickly and I, like many of you, love the "small town" feel that sets PG apart from surrounding cities. I'll work to protect the conservative ideals and strong community standards that we value. I'll work closely with our amazing Directors and city employees to improve PG. As a long time, local business owner and someone who enjoys spending time with our much-loved senior community, I have heard many shared concerns like addressing our road situation and the loss of some amazing city employees to other cities. I will do my best to remedy this while striving for camaraderie within our community.

ELECTION VOTE CENTER INFORMATION

Utah County Elections has asked Pleasant Grove City to have a Vote Center in our City. The Vote Center will be in the Community Room, 108 S 100 E (Police Station). The Center will be open between the hours of 7:00 a.m. and 8:00 p.m. on Election Day. At a vote center you can 1.) receive a newly printed ballot, fill it out, and submit it on a voting machine, 2.) you can bring the mailed ballot you previously received and submit it on a voting machine, or 3.) you can bring your mailed ballot sealed in its envelope and leave it in a portable ballot box.

Be the change you wish to see in the world." - Gandhi

This quote is my life's motto and has guided my service as a Pleasant Grove City Councilmember. As a life-long resident, I'm proud to call Pleasant Grove home. I hold strong to our defining traditions: celebrating Strawberry Days, honoring the flag in Grove Creek Canyon, and lighting our G Mountain. My voting record reflects my commitment to ensuring a better quality of life for Pleasant Grove. I've been an active decision-maker towards progress on important issues including road improvements, attracting quality businesses to increase our tax base, providing a new public safety building for our first responders, improving our parks and recreation, voting no to more high-density housing, and communicating daily with residents. However, more can be done - continuing to reduce debt, more funding for roads, and bringing in more restaurants and businesses. My husband and I have raised our three boys here and hope they will choose to raise their families in this community. I am grateful for my position on the City Council of my hometown. With your support, I can continue to work hard to make the changes that move us forward.

It has been an honor to serve as your city council representative this past term, and I am excited to announce my candidacy for re-election. Over the past many years, we have accomplished a lot together, I have committed to making our community stronger and safer, building relationships with our business community that foster growth and support local businesses, spearheaded numerous initiatives for our community, but there is still much work to be done for our community. During my time in office, I have focused on: community, quality of life, economic development, public safety, and getting more money towards our roads & projects. I am proud of the progress we have made in these areas, I will always advocate for improved infrastructure and finding better ways to always improve our wonderful city. I'm proud of the progress we continue to make every year in these areas. I am committed to serving our community and making our city a better place to live. I believe that by working together, we can achieve great things and build an even brighter future for our community. I care and love this city, and I'm always eager to listen to your ideas and concerns. I humbly ask for your support and your vote in the upcoming election.
