Administrator Darrington reported that during recent discussions about the City website, it was suggested that the "City of Trees" logo, which has been in use for 15 years, be updated. To move forward, staff requested feedback from the City Council on the overall direction to take. The City Council has the option to start fresh, change the slogan, or revamp what is presently being used. The information obtained will assist staff in preparing options for the City Council to consider. He noted that finances are not to be considered in this discussion.

21

22 Council Member LeMone stated that the current logo appears to be dated when compared to the 23 current website update and needs to be modernized. Her preference was to update the trees and 24 the colors used. She did not see it as a branding change, which would require a different 25 discussion. Council Member Williams agreed. Council Member Andersen would like to start 26 phasing out the wording "City of Trees." Council Member LeMone stated that her initial concern 27 was more with the actual image of the logo. She thought that omitting the "City of Trees" language 28 might be more of a branding issue that involves a longer process. There was discussion about the 29 possible changes, including colors and wording, and it was ultimately agreed that the wording 30 "City of Trees" be omitted, as another slogan could be added later when branding is addressed. 31 Recognizing that the City Council does not want a lot of money spent on the issue, Administrator 32 Darrington stated that staff will provide two or three different options for updating the logo in 33 color and design to match the website, including the financial impact, for Council's review and 34 comment.

c. Staff Business.

- 38 Deputy Fire Chief, Chase Gustman, reported on the following:
- 39 40
- It has been a busy couple of weeks in terms of calls.
- Last Monday's major accident was reported in the news and required mutual aid response
 from American Fork, Lone Peak, Orem, and Provo to address multiple issues including a

1 2 3 4 5 6 7 8 9	rescue and extraction of a resident pinned inside the damaged apartment, medical transport of victims, and a structure fire. There was also concern about the structural stability of the apartments, which impacted ongoing work being done. This was a "once in a career" type of call. The outcome for both parties was good with positive hospital reports. The impacted apartment building had to be shored up and made structurally stable enough to do the work. Building officials quickly responded to the scene and evaluated the structure, which was found to be uninhabitable and ultimately red-tagged. The owners will be responsible for the repairs.
10	Police Chief, Keldon Brown, reported on the following:
11	
12	• It has been a busy couple of weeks.
13	• The Department assisted at the accident site the previous Monday.
14 15	• Officers responded to a couple of serious knife stabbings and threatening behavior at the Hyatt House.
15 16	 They assisted the Fire Department crew and families on Sunday with Santa Claus-related
17	activities.
18	• In December, officers will deliver gift bags to families who have experienced recent tragic
19	situations.
20	• Officers have also been involved in a variety of community interactions, including Bingo
21	with seniors. He was pleased with what was going on in the community.
22	Council Mamban Williams, after bearing about "Imifa fights" asked if the police are seeing a
23 24	Council Member Williams, after hearing about "knife fights," asked if the police are seeing a different type of criminal. Chief Brown stated that people generally involved in crime are the same
25	well-known County residents who move from city to city. They are put in jail and get out quickly.
26	
27	Parks Director, Deon Giles, reported on the following:
28 20	A second s
29 30	• Approximately 175 high school students helped with the final clean-up of the G Mountain site. The trash collected was then flown out by helicopter. The help of the students was a
31	significant service to the City.
32	 The Department is busy installing Christmas lights, leaf pick-ups, and snow removal.
33	
34	Recreation Director, Megan Zollinger, reported on the following:
35	
36	• They are busy with Junior Jazz and pickleball and are ready for the winter season.
37	• A Fitness Fair is scheduled to take place in January.
38	• Director Zollinger looked forward to the Christmas season and the Angel Tree, which will have tage identifying six families and two individuels for gifting. The presents will be

1 2	Public Works Director, Neal Winterton, reported on the following:
3 4	• Water year calls have begun as the snowplows have already been used a few times. They are prepared with well-maintained vehicles.
5	• The pressurized irrigation meters.com ("PGPI") website is active.
6 7	• The secondary meter program is active with 20 installations per day. Work has been ongoing for a couple of weeks.
8	• Roadwork bids were put out in the amount of \$4 million. Going out to bid now helps with
9	budgeting and getting the work on the contractor's schedule. Out-of-state contractors have
10	expressed interest, which is good for competitive bidding.
11 12	• Staff continues to do small concrete jobs with one on Main Street for trip hazard repairs.
12 13 14	Library and Arts Director, Sheri Britsch, reported on the following:
14	• Both the Library and the Commissions remain busy.
16	 There was great support from the City Council and Mayor for the Old Town Hall Christmas
17	event. There was also a lot of support from the community with well over 200 people in
18	attendance.
19	• Tonight is Open Mic Night at The Grove Station, which will have holiday-themed music.
20	 The Best Christmas Pageant Ever is currently underway.
21	 The orchestra is doing a Messiah Sing-Along at the high school on Friday night.
22	The orenessia is doing a messian bing mong a the inghisencer on multiplication of the
23	When asked which season is busiest for the Library, Ms. Britsch stated that summer is the busiest
24	because of the programs offered and because children are out of school.
25	
26	Finance Director, Denise Roy, reported on the following:
27	
28	• She continued to work on the Audit, which is a very intense, annual process.
29	
30	City Recorder, Kathy Kresser, reported on the following:
31	
32	• She will soon be retiring and thanked all for making her time in the City a joy. She
33	appreciated the support and will miss everyone.
34	• She introduced her replacement, Wendy Thorpe. Ms. Thorpe comes from Herriman City
35	where she served as the Deputy City Recorder. She was grateful for that experience and
36	was excited to be here. She also congratulated Ms. Kresser on her retirement.
37	
38	Assistant to the City Administrator, Kyler Brower, reported on the following:
39	
40	• On Tuesday, December 12, 2023, at 2:00 p.m. there will be a ribbon cutting at the Old City
41	Hall.

18 **7**) **OPEN SESSION**

Bob Scott, a Pleasant Grove resident, proposes that a public meeting be held to address what is
being built at the Pipe Plant and the cost. He stated that a public meeting and City-wide vote
should have taken place before the bond was issued 10 months ago. He stated that the project is
the most expensive in the City's history and results in a 25-year debt.

- 25 Mr. Scott contended that the public would have rejected the project had they known the following: 26
 - The actual cost of the loan is twice as much as the Parameters Resolution, which brings the cost to over \$58 million plus the \$8 million donation, which is further increased with the addition of interest.
 - The 400-page bond document contains details about the bond including that the money is to be spent within three years and 100% of the City's sales taxes are to be used as collateral for 25 years.
 - The annual loan payments for the bond are higher than what they would have been for the 2017 proposed Road Work Bond which was defeated because it was too expensive. The primary complaint from the community has been roads.
- 37 Mr. Scott questioned the following:
- 38
- It is not clear what is being built on-site as the City has obscured maps and hidden map details.
- A 2013 public survey referenced public buildings, a cemetery, and a drainage system to be
 built and asked for the costs and timing.
- There is no information about the use of the 10 reserved acres.

- The City is paying \$70,000 to rebuild the website and he has not had an opportunity to comment on it.
- There were no further public comments. The Open Session was closed.

A. To Consider for Adoption a Resolution (2023-054) Authorizing the Mayor to Sign an Agreement for Mutual Aid for Fire, Training, and Emergency Medical Services between Various Local Government Agencies in Utah County and Pleasant Grove City to Provide Mutual Aid Assistance in Instances of Emergency and Providing an Effective Date. *Presenter: Chief Engemann*.

25 Deputy Fire Chief, Chase Gustman reported that Mutual Aid Assistance has been in place among 26 the County Fire Departments since 1995. The proposed Resolution renews that agreement and updates the wording for mutual aid that is already occurring. Council Member Jensen asked how 27 often other cities are used for mutual assistance. Deputy Chief Gustman reported that the 28 Department's goal is to be under 10% usage of mutual aid. He estimated that there are 15 to 20 29 responses per month to Pleasant Grove with American Fork responding most often as they share 30 31 the same dispatchers for two of the three Pleasant Grove areas. He estimated that Pleasant Grove 32 responds to American Fork three to five times per month. He estimated that Orem responds to 33 Pleasant Grove five to six times per month with Pleasant Grove responding to Orem once or twice 34 per month.

35

ACTION: Council Member Andersen moved to ADOPT Resolution 2023-054 Authorizing the
 Mayor to sign an Agreement for Mutual Aid for Fire, Training, and Emergency Medical Services
 between various local government agencies in Utah County and Pleasant Grove City to provide
 Mutual Aid Assistance in instances of emergency and providing an effective date. Council
 Member Jensen seconded the motion. City Council Member vote: Dianna Andersen, Yes; Eric
 Jensen, Yes; Cyd LeMone, Yes; and Todd Williams, Yes. Motion carried unanimously.

43 B. To Consider for Adoption a Resolution (2023-055) Authorizing the Mayor to 44 Sign an Interlocal Cooperative Agreement between Mountainland Association

of Governments ("MAG") and Pleasant Grove City for a Project Known as "2600 North Roadway Widening and Reconstruction" and Providing an Effective Date. *Presenter: Director Winterton*.

5 Director Winterton presented the proposed Resolution and stated that if adopted, it would authorize 6 additional funding for the 2600 North Roadway Widening and Reconstruction Project. The City 7 has been awarded additional funding from the Mountainland Association of Governments 8 ("MAG") as construction costs have risen since the bid was awarded three years ago. The 9 proposed Resolution reflects that agreement. Director Winterton noted that the City is doing a lot 10 of road work and infrastructure. Consent Items B through I represent requests for payments on projects completed since the last City Council Meeting. Items 12 B through G are all Public Works 11 12 infrastructure projects. He complimented the City Council and stated that this activity shows the 13 Council's commitment to infrastructure.

ACTION: Council Member Jensen moved to ADOPT Resolution 2023-055 Authorizing the Mayor to Sign an Interlocal Cooperative Agreement between Mountainland Association of Governments ("MAG") and Pleasant Grove City for a project known as "2600 North roadway widening and reconstruction" and providing an effective date. Council Member Williams seconded the motion. City Council Member vote: Dianna Andersen, Yes; Eric Jensen, Yes; Cyd LeMone, Yes; and Todd Williams, Yes. Motion carried unanimously.

21

Council Member Andersen asked for an update on the 2600 North Project as she is receiving questions about the status. Director Winterton responded that depending on the weather, concrete will be poured after which work will cease for the winter and restart in the Spring. By December 20, 2023, he expected all road closure signs to be removed. He confirmed that the underground structures, including storm drain structures to address high-water storms, are in place. The work currently taking place is to address surface issues.

To Consider for Adoption a Resolution (2023-057) Authorizing the Mayor to Declare a Caterpillar 938M Loader as Surplus and Direct that it be Disposed of According to the City's Policy for Disposing of Surplus Property and Providing an Effective Date. *Presenter: Director Winterton.*

9 Director Winterton presented the proposed Resolution, which authorizes the disposal of surplus 10 property. He noted that it is a financially advantageous opportunity for the City which acquired a 11 large loader, used it, and is now ready to sell it for the purchase price. As the value of the surplus 12 property exceeds what is administratively authorized, City Council consent is required. It was 13 noted that the loader has been in service for approximately 10 years.

- ACTION: Council Member Jensen moved to ADOPT Resolution 2023-057 Authorizing the Mayor to declare a Caterpillar 938M loader as surplus and direct that it be disposed of according to the City's policy for disposing of surplus property and providing an effective date. Council Member Williams seconded the motion. City Council Member vote: Dianna Andersen, Yes; Eric Jensen, Yes; Cyd LeMone, Yes; and Todd Williams, Yes. Motion carried unanimously.

To Consider for Adoption an Ordinance (2023-28) Amending Title 8 "Utilities" Chapter 5 "Stormwater Utility Fee" to Provide a Discount for Multi-Family, Non-Residential, and Mixed-Use Developments who Retain or Detain Stormwater on Site and Providing an Effective Date. *Presenter: Director Winterton*.

25 26

Director Winterton presented the proposed Ordinance and reported that in 2017, an extensive study took place on reviewing equitable and fair practices to assess stormwater fees across the City. It was determined that a given credit or discount for properties that retain or detain water was appropriate. The proposed ordinance is a housekeeping measure to correct the language and reflect the current practice of providing a discount for the monthly fee, which has been in effect for the past six years.

33

ACTION: Council Member William moved to ADOPT Ordinance 2023-28 Amending Title 8 "Utilities" Chapter 5 "Stormwater Utility Fee" to provide a discount for multi-family, nonresidential, and mixed-use developments that retain or detain stormwater on-site and providing an effective date. Council Member Jensen seconded the motion. City Council Member vote: Dianna Andersen, Yes; Eric Jensen, Yes; Cyd LeMone, Yes; and Todd Williams, Yes. Motion carried unanimously.

F. To Consider Awarding J. Lyne Roberts & Sons, Inc. the BLVD Well Facilities Project Bid in the Amount of \$2,058,324.34 and Authorize the Mayor to Sign the Notice of Award, Notice to Proceed, and the Agreement. *Presenter: Director Winterton*.

5 6 Director Winterton presented the item and stated that to secure and enhance the City's culinary 7 water utility, the building, and equipment for the new well need to be completed. The City received 8 three bids for the project and the proposed bid was the lowest. The other bids ranged from \$2.6 to 9 \$2.9 million. J. Lyne Roberts & Sons, Inc. is a qualified contractor to take on the project and they 10 are excited to move forward.

- G. To Consider Awarding AWC, Awolf Construction the 2024 Battle Creek PI Tank Cleaning Project Bid in the amount of \$26,010.27 and Authorize the Mayor to Sign the Notice of Award, Notice to Proceed. and the Agreement. *Presenter: Director Winterton.*
- 21 22

Director Winterton reminded the City Council of the large amount of stormwater that came off the mountain carrying a lot of sediment. Although tank cleaning is normally a maintenance item, the quantity and complexity of cleanup require bidding. Seven or eight bids were received with this bid being the most advantageous for the City. The range of bids went between this low bid to \$90,000. Council Member LeMone stated that because she is related to an owner of Awolf Construction, she would recuse herself from the vote. It was noted that the tank is on top of 200 South.

- 38H.To Consider for Adoption a Resolution (2023-058) Requesting the39Recertification of the Pleasant Grove City Justice Court; Affirming a40Willingness to Continue to Meet all Requirements Set Forth by the Judicial41Council for Continued Operation of the Justice Court and Providing an42Effective Date. Presenter: Attorney Petersen.43
 - Page 8 of 12

1 City Attorney, Tina Petersen reported that the Justice Court needs to be recertified every four years 2 and is due this year. The recertification process is lengthy and involves the City Attorney, Head 3 Clerk, and the Justice Court personnel. The Justice Court, which is a Class Three Court, was found 4 to meet all requirements. It requires the following minimal findings:

5 6

7

8

9

- The court must be open at least three hours per day.
- There is a Courtroom, which doubles as the Council Chamber.
- There is a separate Judge and Clerk's Office;
- The Clerk must be available daily during the scheduled hours of Court to aid citizens.
- There needs to be a Prosecutor and Defense Counsel must be available for indigent 10 defendants. 11 12
 - Certain legal resources and research are to be made available.
- A sworn law enforcement officer is to be present during Open Court and serve as Bailiff. 13 This service is contracted out. The officer who is present is to be a sworn law enforcement 14 15 officer.
- 16 • The Judge is law trained, meaning a law school graduate.

18 Attorney Petersen referred the City Council to the packet provided and stated that all of the 19 questions were answered in the affirmative in Section 1 with regard to operations. The Resolution 20 confirms that the Justice Court is to continue for another four years and requires the City to commit 21 to maintaining those requirements as outlined.

22

17

23 The Court caseload consists of an average of 160 cases per month. Over the past two to three 24 years it has remained steady; however, traffic citations fluctuate based on Police Department staffing. Some time ago, there was a dedicated Traffic Officer and the number of citations 25 increased. As that position is currently not filled, the number of tickets being issued has decreased. 26 27 Misdemeanor citations have remained steady but the severity has increased over the last few years 28 with more domestic violence and drug cases. Driving Under the Influence("DUI") cases have 29 remained steady.

30

ACTION: Council Member LeMone moved to ADOPT Resolution 2023-058 Requesting the 31 32 Recertification of the Pleasant Grove City Justice Court; affirming a willingness to continue to 33 meet all requirements set forth by the Judicial Council for continued operation of the Justice Court and providing an effective date. Council Member Jensen seconded the motion. City Council 34 35 Member vote: Dianna Andersen, Yes; Eric Jensen, Yes; Cyd LeMone, Yes; and Todd Williams, 36 Yes. Motion carried unanimously.

- 38 I. To Consider for Adoption an Ordinance (2023-29) Setting the Time and Place of the Regular Meeting of the City Council, Boards, Commissions, and 39 40 **Committee Meetings of Pleasant Grove City for the Year 2024 and Providing** 41 an Effective Date. Presenter: Attorney Petersen. 42

Administrator Darrington reported that the proposed Ordinance sets regular meeting times and the location of the identified City Council, Boards, Commissions, and Committees for 2024. The City Council regularly meets on the first and third Tuesday of the month with the following exceptions:

4 5

6

7 8

9 10

- In April, The City Council will meet on the second and fourth Tuesdays. The first week of April is Spring Break and the third Tuesday is the Utah Cities and Towns Conference ("ULCT").
- In June, the City Council will meet on the first and fourth Tuesday because the third Tuesday is Strawberry Days.
- In November, the election will take place on the first Tuesday so the City Council will meet once that month on November 19, 2024.
- 11 12 13
- December also involves only one meeting that will take place on December 3, 2024.

14 Administrator Darrington reported that has discussed with each City Council Member the 15 possibility of having the second of the monthly City Council Meetings in January and February 2024 take place on Wednesdays for personal reasons as he has season tickets to BYU basketball 16 17 games. He made clear that if the City Council feels that such a change would not be good for the 18 public, meetings can be held on Tuesday. Mayor Fugal reported that he also has season tickets. Council Member LeMone preferred that the meeting dates not be changed to maintain consistency 19 20 for the public. She did not object to Administrator Darrington missing those meetings. 21 Administrator Darrington stated that if the meetings remain on Tuesday he will be present. He 22 clarified that it was a personal request.

23

ACTION: Council Member Williams moved to ADOPT Ordinance 2023-29 Setting the Time and
Place of the Regular Meetings of the City Council, Boards, Commissions, and Committee
Meetings of Pleasant Grove City for the year 2024 as listed and providing an effective date.
Council Member Jensen seconded the motion. Vote on motion: Council Member Andersen-Aye,

Administrator Darrington reported that on June 20, 2023, the City Council set the Property Tax Rate for 2024 at .001231, which is an increase from the County rate set for the City. This action triggered a Truth in Taxation Hearing that took place on August 1, 2023. The City Council approved the new rate at that time. That action was challenged and a Referendum was voted on two weeks prior. The former tax rate is now in place. The City Council will need to adopt the tax rate that was provided to the City by the County of .001041.

44

The rate that went out on the property tax bills was the higher rate of .001231. Those who paid their property taxes on November 30, 2023, paid the higher rate. The City was working with the County to determine how the bill is to be revised. Administrator Darrington will inform the City Council on what is to be done once a decision has been made. There may be a charge to the City for costs such as postage. Council Member Williams stated that even with the higher rate, his taxes decreased.

7

ACTION: Council Member Andersen moved to ADOPT Resolution 2023-059 Adopting a
Certified Tax Rate for the City of Pleasant Grove for Fiscal Year 2024 (July 1, 2023, to June 30,
2024) and providing an effective date. Council Member Jensen seconded the motion. Vote on

TECHNICAL MEMORANDUM

то:	Deon Giles
FROM:	Zachary Scott
DATE:	December 12, 2023
SUBJECT:	Discovery Park Project Closeout

1 PROJECT OVERVIEW AND STATUS

As of 12-11-2023, the project team consisting of S&L Inc, Horrocks Engineers, and Pleasant Grove City have met regarding various concerns on the Discovery Park Pickleball Court Rehab Project. The project was recommended to be awarded to S&L Inc on May 2, 2022 for the amount of \$1,189.265.00. An agreement was executed on May 11, 2022 and notice to proceed was issued on May 18, 2022 with an expected start date of June 3, 2022. S&L is requesting final payment release as soon as possible, having completed work on October 1, 2023.

2 HISTORY OF PROJECT CONCERNS

S&L Inc subcontracted with All Courts to perform all work associated with the court rehab including post tensioned concrete, fencing, court coating, and net installation. All Courts unsuccessfully completed the first pour of the southern courts and decided at their own discretion to repour the south court. During the curing stage of the second pour a longitudinal crack appeared in the slab running north to south. The crack was examined by the city, Horrocks', All Courts, and S&L to determine a solution for repair of the crack. It was determined that the crack should be ground/routered out with a v-bit, all loose pieces or debris removed, and the crack be filled with a flexible sealant (sikaflex), after which All Courts would resurface over the sealant and apply court coating per project design and specifications.

This work was performed during the fall of 2022. When the court was observed in spring of 2023, the court coating along the cracks had bubbled, peeled away, or chipped significantly indicating that the repair had been unsuccessful, and moisture had penetrated under the coating. At this point in time due to various other concerns with All Courts' workmanship, S&L Inc subcontracted with Courts Unlimited to redo the court coating and crack repair. The repair work was done in a similar fashion to the original methods. The existing coating was removed, the crack was ground with a v bit to raw concrete and the crack itself was cleaned using compressed air. A flexible patch was used per industry standard and the court was recoated. This work was completed between June 2023 and September 2023 with minor paint touch-ups occurring in September 2023. The crack is visually apparent through the new repair but coating appears intact with no signs of failure.

Minor hairline cracks were also observed on the north courts but were determined to be small enough that treatment was not required. These cracks appeared after curing and are barely visible to date. The courts were recoated over these cracks but no grinding or flexible patch was applied to them. These

cracks are considered acceptable per design specifications. Other issues were observed with poor fencing installation with mismatched products, net posts that were not level/plumb to the playing surface, and overall court workmanship. These issues have been resolved by S&L Inc.

3 WARRANTY

Given the various concerns with All Courts' workmanship, S&L Inc has committed to a 2-year warranty period on all elements of the courts. This includes the concrete, the coating, net posts, and fencing. It was decided in a meeting on 12-11-2023 that this two year warranty period would begin at the date of completion which will be October 1, 2023. The warranty period will end on October 1, 2025.

4 RECOMMENDATIONS

It is our recommendation that the following occur:

- 1. Final Completion of the project be recorded and dated at October 1, 2023.
- 2. 2 Year Warranty Period is active as described above.
- 3. Final payment shall be released to S&L Inc. This will occur at the January 2, 2024 city council meeting.
- 4. The city, Horrocks, and S&L shall monitor the crack during the warranty period. This shall occur at a minimum of 4 times per year with seasonal changes. Should the coating show signs of failure, it shall be replaced. If vertical or horizontal separation of the crack is observed or if the crack becomes anything other than an aesthetic blemish, the project team shall reconvene to assess the changes and determine a solution.
 - a. Although replacement is not preferred, the city shall reserve the right to require replacement of the PT-Slab and all associated elements at any time during the warranty period.
- 5. S&L shall deliver the custom fabricated spare net posts to the city prior to March 1, 2024.

TRAFFIC CONTROL AND PEDESTRIAN SAFETY PARTICIPATION AGREEMENT

THIS AGREEMENT made and entered into this _____ day of ______, 2023, by and between PLEASANT GROVE CITY, a municipal corporation of the State of Utah, having its principle place of business located at 70 South 100 East, Pleasant Grove, UT 84062, hereinafter "CITY," and ______ SPECTRUM ACADEMY, a Non-Profit Corporation, a Charter School established under the laws of the State of Utah, whose principle address is 575 Cutler Drive North Salt Lake, UT 84054 and operates a school at 867 South 800 West, Pleasant Grove, UT 84062, hereinafter "SCHOOL."

WHEREAS, CITY is a municipal corporation located in Utah County, Utah; and

WHEREAS, SCHOOL is a Charter School, regulated by the State of Utah; and

WHEREAS, SCHOOL is located at approximately 867 South and 800 West in Pleasant

Grove; and

WHEREAS, SCHOOL expanded its capacity and enrollment numbers over the last few years increasing the number of students and cars utilizing the site; and

WHEREAS, said expansion has created a traffic hazard on Sam White Lane (700 South) during pick up and drop off time for the students; and

WHEREAS, SCHOOL has requested a Reduced Speed Zone, cross walk, and crossing guard for the intersection located at 700 South 800 West in Pleasant Grove; and

WHEREAS, the Parties have come to an agreement regarding the respective duties and responsibilities to improve safety.

NOW THEREFORE, in consideration of the promises herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

<u>CITY AGREES TO THE FOLLOWING</u>:

1

City will install a School Zone reduced speed area that meets MUTCD standards featuring an illuminated flashing signal that can be operated by the school crossing guard during reduced speed zone hours. City will train a Spectrum Academy employee to be a crossing guard. City will work with the Keven Stratton, current owner of property, to get a sidewalk installed on the North side of the road from the ADA ramp to the west connecting to existing sidewalk.

SCHOOL AGREES TO THE FOLLOWING:

- School will only utilize the reduced speed school zone for up to 1 hour per day between the hours of 2:00 p.m. and 4:00 p.m., or at any other times the school has earlier dismissal. Regardless, the reduced speed school zone will be for no more than 1 hour per day.
- 2. School will provide an able and trained employee to act as a crossing guard whenever the school crossing is utilized.
- 3. School will pay for the ADA ramp and sidewalk from the ramp to the connection west at a total of \$11,756.90.
- 4. Continue to study, enhance, provide staffing for, and improve traffic flow on their own site to minimize traffic backing up onto 700 South/Sam White Lane and 800 West.
- 5. **IN WITNESS WHEREOF**, the parties have executed this Agreement:

This ______, 2024.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Utah County Goverment (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Utah County Goverment:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows: To contact us by email send messages to: CommissionClerk@UtahCounty.gov

To advise Utah County Goverment of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at CommissionClerk@UtahCounty.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Utah County Goverment

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email

to CommissionClerk@UtahCounty.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Utah County Goverment

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to CommissionClerk@UtahCounty.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process.

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <u>https://support.docusign.com/guides/signer-guide-signing-system-requirements</u>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Utah County Goverment as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Utah County Goverment during the course of your relationship with Utah County Goverment.

FINAL RESIDENTIAL SUBDIVISION PLAT

REQUEST	4-lot final residential subdivision called Bullock Subdivision Plat 'B'	,
APPLICANT	Scott Flora	
ADDRESS	1025 North 600 West	
ZONE	R1-8 (Single-Family Residential) Zone	
STAFF RECOMMENDATION	Approve the Final Subdivision Plat	
ATTACHMENTS	Property Zoning Map	3
	Property Aerial Map	4
	Final Subdivision Plat	5

Background

The applicant is requesting approval of a 4-lot residential flag lot subdivision, called Bullock Subdivision Plat 'B', located at 1025 North 600 West in the R1-8 (Single-Family Residential) Zone. The property is currently developed with a single-family residence.

Analysis

The subject property has not been platted before, however the proposed subdivision name is titled as a "Plat 'B'", as an existing Bullock Subdivision Plat 'A' is located in a different location. The applicant is adjusting lot lines as needed to make room for three flag lots in the open space behind the existing home. The existing house will remain, as there is enough room to meet the side yard setback requirements as well as the flag lot stem on the north side; all other accessory buildings are to be demolished.

R1-8 Requirements:

The minimum lot area within the R1-8 Zone is 8000 square feet. The minimum frontage for this property is 35 feet and the minimum width is 85 feet. The setbacks for the R1-8 Zone can be found in Table 1.

Setback	Distance
Front	25
Side	10
Rear	25
R	

Table 1

As proposed:

The proposed subdivision occupies a total area of 0.996 acres (43,413 square feet) and consists of 4 lots. The lot area and width for each property is listed in Table 2. Each lot also includes a building envelope that delineates the setbacks for the zone. One remaining comment includes starting the lot numbering at Lot 8, as the previous Bullock Subdivision Plat A contains 7 lots. With the lot area, width, frontage, and yard requirements met, the submitted plans comply with the existing requirements for the R1-8 Zone.

Lot	Area	Width
3	8677 sq. ft.	85'
4	8001 sq. ft.	85'
5	8001 sq. ft.	85'
6	8538 sq. ft.	110'
Table 2		

Table 2

Flag lot subdivisions within the R1-8 zone also require the stem to be a minimum length of 85 feet and have a width of at least 25 feet. The common stem is to be dedicated as a public utility, sewer, and right-of-way easement. Up to 3 lots may share a common stem, which must have a minimum 20-foot wide paved driveway and must have established CC&Rs to provide maintenance for the common stem.

Overall, the proposed subdivision complies with the requirements for the R1-8 Zone and for flag lots.

Because the proposed plat meets all the requirements for subdivisions and for the R1-8 (Single-Family Residential) Zone, Planning Staff recommended the Planning Commission forward approval to the City Council for the proposed preliminary plat with the following conditions:

1. All Final Planning, Engineering, and Fire Department requirements are met.

Recommendations from Planning Commission

Pleasant Grove City Planning Commission took the following action on the described application at their meeting on December 14, 2023.

3. Public Hearing: <u>Preliminary Subdivision Plat – Located at approx. 1025 North 600 West</u> Public Hearing to consider the request of Scott Flora for a 4-lot preliminary subdivision plat, called Bullock Subdivision Plat 'B' on 0.99 acres, approximately located at 1025 N 600 W in the R1-8 (Single-Family Residential) Zone.

RECOMMEND APPROVAL

Motion: At the Public Hearing, Commissioner Redding moved the Planning Commission forward a positive recommendation of approval for the request of Scott Flora for a subdivision plat called Bullock Subdivision Plat 'B', located at approximately 1025 North 600 West on property zoned R1-8; and adopting the exhibits, conditions, and findings of the staff report, and as modified by the conditions below:

1. All Final Planning, Engineering, and Fire Department requirements are met.

Commissioner Patten seconded the motion. The Commissioners unanimously voted "Aye". The motion carried.
