Christmas Tree Pickup

P G City's curbside Christmas tree pickup will start Jan 17th. Have your undecorated tree on the curb, not hidden by cars, by 7 am on Jan 17th. It will take more than the 17th to collect all of the trees in the city, but if the truck comes by your home on the 17th and the tree is not out it won't be picked up as they will only be going down each street once.

ACCESSORY APARTMENTS REGISTRAION DEADLINE

On February 2, 2016, the City Council approved an ordinance which provides for the permitting of legal accessory apartments as long as they comply with certain requirements and are registered with the City. Property owners with an accessory apartment in a single family neighborhood must complete registration with a \$25 fee, including any needed upgrades and improvements to meet code requirements, prior to **February 2, 2018**. Un-registered apartments will be illegal and fined \$500. **The following requirements must be met:**

- Separate eating, sleeping, and sanitation facilities.
- The main dwelling is owner occupied.
- The apartment is occupied by only 1 family
- Only 1 accessory apartment on the property
- A separate exterior entrance into the apartment.
- The accessory apartment shall be addressed as unit "B".
- 4 off-street parking spaces for the home, plus 2 for the apartment.
- All utility meters are in the property owner's name.
- Interior access between the main dwelling and an attached apt.
- Apt. will not be sold or detached by deed and will only be rented.
- A detailed site plan.
- A floor plan showing rooms with current or proposed uses.
- Complies with all building codes in effect. Any corrections made.
- Safety requirements such as smoke detectors, etc.

The City recognizes that there will be some properties that will not be able to meet the above requirements. Just as there are basic requirements for building a home, there are also basic requirements for adding an apartment.

For more information on requirements and registration, please call Community Development at 801-785-6057.
