

Proposition #14 Fiscal Year 2024 Property Tax Rate

Shall the Pleasant Grove City Council be authorized to levy a tax rate in the amount sufficient to generate an increased property tax revenue of \$733,171.00 for fiscal year 2023/2024 as budgeted, adopted, and approved by the Pleasant Grove City Council resulting in an estimated increase of \$4.72 per month (or an estimated 14.8% increase in the city's property tax rate) for an average home to fund:

- a new park
- increased police wages
- a new full-time firefighter
- a new full-time library program coordinator
