

CANDIDATES FOR CITY COUNCIL

Please note that the Candidates are listed as they will appear on the ballot

	<p style="text-align: center;"> Alex Carter 385-213-7328 alex@alexforpg.com www.alexforpg.com </p> <p>Alex is the 8th of 10 siblings and grew up on 1100 North in Pleasant Grove. He learned the value of hard-work at a young age. During high school Alex worked as a welder for Wasatch Ornamental Iron where he realized a love for working with his hands. He then went to work for Ford just before serving a mission for the Church of Jesus Christ of Latter Day Saints in the Ohio Cleveland Mission. Upon his return he immediately went back to Ford and has worked there ever since, as a master technician. Alex is a people person and gets along with everyone. His skills as a problem solver are visible everyday at his work where he methodically fixes issues with a cool head and a calculated mind. His ability to diagnose problems and quickly find quality solutions is ideal for a city counselor. Alex and Andra are also small business owners and understand how to work hard. They recognize the blessings and opportunities that Pleasant Grove has provided for their family and want to give back to the community. He currently serves on the Community Advisory Board for Rep Jon Hawkins and volunteers for the Republican party.</p>
	<p style="text-align: center;"> Brent Bullock wbullock@gmail.com 801-361-4590 </p> <p>My name is Brent Bullock and I am hoping to serve my neighbors on the city council. I have lived all my life in Pleasant Grove. My educational background includes a Bachelor of Science degree, a Master of Public Administration, and a Juris Doctorate from Brigham Young University. I have served in many positions in Pleasant Grove City. I served 5 years on the Pleasant Grove Police force attaining the rank of Assistant Chief. I served a term on the Pleasant Grove Library board, the Pleasant Grove Irrigation board and on March 1, 2019 I retired as Pleasant Grove City Justice Court Judge after serving for 28 years. Having worked closely with employees and executive staff and the citizens of Pleasant Grove, I feel strongly that I have the skills and ability to serve effectively on the city council. I think I am acutely aware of the needs and issues facing our city. I feel the City Master Plan needs to be revisited with input from the citizens and those who are affected. I feel very strongly about zoning laws that need to be vigorously enforced and other problems that need to be addressed. I love Pleasant Grove.</p>
	<p style="text-align: center;"> Cyd LeMone 801-318-2856 Cyd4pg@gmail.com www.cyd4pg.com </p> <p>What an exciting time to live in Pleasant Grove! Rebuilding Discovery Park, renovations to Downtown Park, Strawberry Days, the magnificent Flag in Grove Creek Canyon, United Under the G, Viking Pride...these are a few reasons I am proud to call Pleasant Grove home. When I think of the amazing things happening in our community, I think of one word...Progress. As an incumbent, I am grateful for my position on the City Council, being part of important decisions that are moving us forward, positively impacting our city. I voted yes to our new Public Safety Buildings, increasing road funding, reducing high density housing and attracting quality businesses to improve our tax base. But there is more to be done. Continuing to reduce debt, roads, more restaurants and businesses. When I say I am committed to making our quality of life better here in Pleasant Grove, I truly mean it and my voting record reflects that.</p> <p>Pleasant Grove is my hometown. My husband and I are raising our three boys in hopes that one day they will choose this community as their home. I want the best for my family and yours and will continue to work hard as your City Councilwoman.</p>
	<p style="text-align: center;"> Carrie Hammond 801-874-0139 Chammond1877@gmail.com </p> <p>I was born and raised in Utah, and raised my family here. I love our state and life in Pleasant Grove. City council is an opportunity to serve the community. I think all people should have a voice in the process and all deserve to be heard. I encourage people to get involved in anyway that they are comfortable and then stretch that comfort zone a bit when they find their passion. Just get involved. Differing viewpoints are dialog opportunities and are valuable in the decision making process. The best government is that which is closest to the people, that is what city government is all about. Pleasant Grove is a growing, changing, and thriving and will continue to do so. With that growth it is important to also recognize, balance, and support the quality of life for residents, green spaces in the community, city services, commerce, infrastructure, safe neighborhoods, emergency services. Residents and commercial entities can reside and thrive together peacefully when there is mutually beneficial municipal governance, quality codes, reasonable and effective enforcement, and an atmosphere of respect for the "golden rule". I want to see Pleasant Grove continue to thrive and be a wonderful place to live.</p>

For 12 years, my family has called Pleasant Grove home. After countless hours coaching youth football, Junior Jazz, or youth baseball, many of your kids already call me “Coach” Phillips. With 6 years on the PG Library Board, 2 years on the Board of Adjustments, and 2 years on the Planning Commission, I am uniquely qualified to take a seat on our City Council. A Bachelor’s Degree in Economics, followed by 20+ years in commercial banking where I personally analyze the financial viability of companies in our market, qualifies me to understand what it takes to prioritize, budget, and manage financial and other decisions pressing on our great city. I have also served for the past 2 years on the board of Rocky Mountain CRC, a local non-profit organization intent on providing affordable housing to those in greatest need in our communities. These experiences inspiring our youth to great achievements, negotiating in Corporate America, advocating for those in need of affordable housing, and serving all aspects of our community for the past 10+ years has made me keenly sensitive to the perspectives of many within our city. I would now love to represent YOU as “Councilman” Phillips.”

I love Pleasant Grove. My wife Valerie and I have raised our three children here. It has been our home for 29 years. Valerie works at our library as a storyteller and loves working with the children and families. Serving on the City Council is about being your voice and giving back to this amazing community. Pleasant Grove boasts a strong tradition, history and has a bright future. We have been moving forward in securing the best possibilities that will continue to benefit future generations for years to come. I have always strived to ensure our city services are secure and committed to this vision, so we can count on them into the future. Economic development in our city is growing strong because we believe in being open for business and providing a strong sales tax for our future. My experience and knowledge on the City Council, Planning Commission, Downtown Advisory Board, Neighborhood Chair, Discovery Park Committee and many others have allowed me to see the tireless efforts of those who are making Pleasant Grove a tremendous community. I am proud to be part of continually moving our community forward, serving, promoting and being part of our great city.
