

Plan to be Safe

Home Fire Escape Plan

Step 1: Get your family together and draw a floor plan of your home. Don't forget to mark where the windows and doors

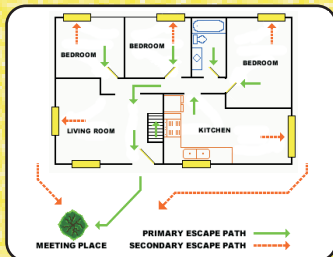

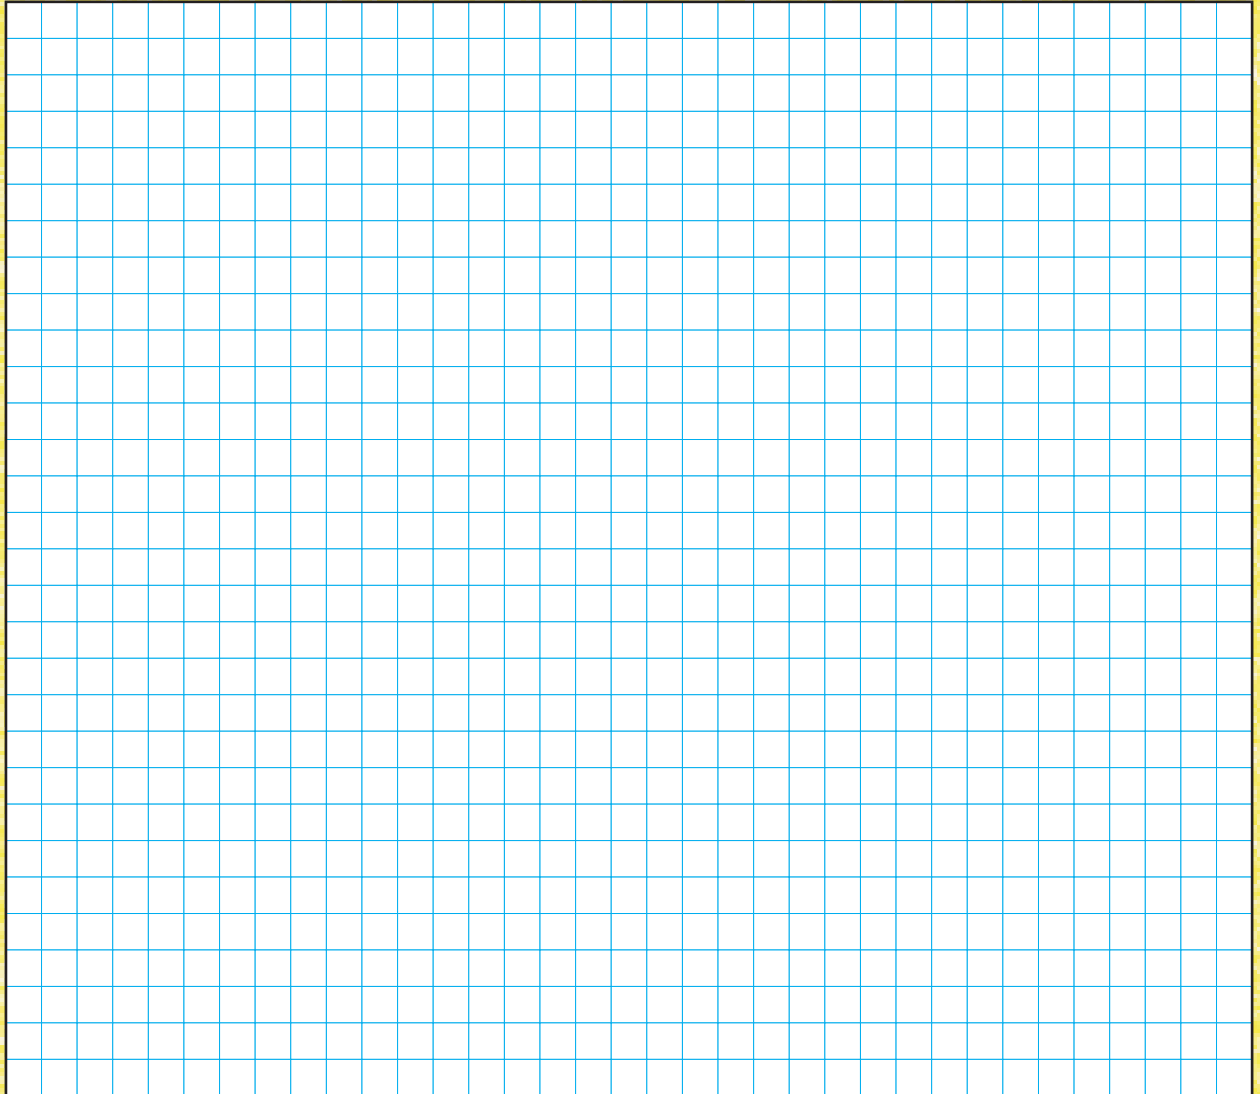

Step 2: Show two ways out of each room in case the main route is blocked by smoke or fire. Be sure to check that windows can be opened easily.

Step 3: Agree on a place to meet once you're outside the home. Wait there for the fire department to arrive.

Step 4: Make sure you have smoke detectors in or near every bedroom and on every level of your home.

Step 5: Once you have a plan, practice it at least twice a year.

Step 6: Remember, **ONCE YOU'RE OUT, STAY OUT.** Don't go back in for any reason.
