

THANK YOU CARD INSTRUCTIONS

STEP 1:

Use three of the white sheets of cardstock and cut out 3 sets of 4 1/4 X 11" tall sized sheets of paper and set them aside. Cut out 3 4 X 5 1/2 sized pieces of cardstock using the other three white sheets of cardstock. The smaller rectangles will be used as card inserts.

STEP 2:

Score and fold the 4 1/4 X 11 sized sheets of cardstock in the middle to create a 4 1/4 X 5 1/2 sized greeting card. Using a cricut or an exacto knife cut out a festive design.
