

Last Update: 11/15/2023

Project Name: Kindness Park

Project Update:

The existing buildings have been demoed and site grading is underway. Next the contractor will start the utility insulations.

Expected traffic impacts:

Expect roadway and shoulder closures periodically through summer 2024.

Project Overview:

The Pleasant Grove City Kindness Park Project consists of the development of a 38.85-acre parcel located between 400 North and 800 North and 400 West and 600 West in Pleasant Grove. Previously, the site was the location of a large diameter steel pipe manufacturing plant. The fully developed site will include a park, cemetery expansion, public works building (future) and site, storm water detention ponds (40 ac-ft) including soccer fields, berms, trails, parking, fencing, landscaping, irrigation, utilities, etc. Please see attached concept drawings. Project will include demolition of existing buildings, concrete structure, utilities, tree stumps, fencing, etc. as well as hazardous materials mitigation. Project will also include expansion, construction and or re-construction of surrounding streets including utilities, curb, gutter, and sidewalk, pavement, etc

Project Area:
