

Last Update: 4/25/2023

## Project Name: 1300 East Street and Utility Improvement Project

### Project Update:

*The new water line is being installed on the west side. In early May the SD will be installed on the east side.*

### Expected traffic impacts:

*Within the project limits the road will be closed to through traffic for the duration of the project. Detours will be posted on 1400 East and 1050 East.*

### Project Overview:

*This project will complete the curb and gutter on both sides, complete the sidewalk, update the water line, install storm drain pipe, and restore the roadway surface.*

### Project Area:

### Contractor Contact Information:

*The contractor on this project is BD Bush Excavation. Site Superintendent is Kirk Lee and he can be reached at 801-420-1132.*

### Questions:

*Please contact the Pleasant Grove Public Works Department at 801-785-2941 with comments or questions related to this project.*
