

**Due to concerns with COVID-19, all patrons wishing to enter and use the recreation facilities must abide by the following regulations.**

**UPDATED August 28, 2020**

**All patrons entering the facility must not be exhibiting any of the following symptoms**

**Fever – Cough – Shortness of breath – Sudden change in taste or smell - Sore throat  
Muscle aches or pains**

- **Hours of Operation: Monday - Friday 5:00am-10:00pm  
Saturday 7:00am-7:00pm**
- **Memberships and Day Passes allowed.**
- **Everyone will be allowed in the facility at this time. Age restrictions will be enforced in all areas of the facility.**
- **Day Care and Senior Specific classes ARE NOW AVAILABLE!!**
- **There are group fitness classes. Check our website for the current schedule as it may change.**
- **We will limit the number of people in certain areas. Patrons will be expected to social distance and use spaces appropriately.**
- **All patrons must maintain a 6-foot separation at all times unless they are family members living in the same household.**
- **Patrons will be checked in with membership card or manually.**
- **Each patron is required to disinfect all the equipment before and after each use.**
- **All areas of the Recreation Center will be available for use.**
- **Locker rooms and restrooms will be available but patrons may not congregate or hang out in those areas**

- **Please limit workouts to no more than 90 minutes.**
- **There will be equipment for rental.**
- **Hand sanitizer will be available but because of limited supply we also ask that patrons use their own personal supply if possible.**
- **Memberships – Passes will be activated June, 8 2020. All annual passes have been on hold and will be extended for an additional 86 days. Semi-annual and monthly passes will be adjusted to the number of days missed due to the closure. Auto Renewal billing will resume on July 1<sup>st</sup>.**
- **In each of these modifications, the ultimate responsibility for patron safety rests with each of you. We have made a few modifications to our protocols, the layout of the facility, the capacities and limits, and the way that we deliver recreation to Pleasant Grove. We need each of you to encourage guidelines, wear appropriate PPE, keep safe distances, and to be patient with our staff while we all work together to figure out the new normal.**
- **The Health Department has strongly recommended the use of face masks, but not while working out.**
- **Failure to comply with these safety regulations will result in a loss of membership privileges.**
- **If you have thoughts or feedback, please let us know. We are excited to have you back in the facility. We are glad to take steps in providing some recreation opportunities, while following the guidelines from health experts, and we hope you'll be a patient partner as we re-activate our facility.**
